STATOTHR

In reply to your letter of 13 March 1962, John A. McCone, Director of Central Intelligence, asked me to send you the enclosed report issued jointly by the Senate and the House Armed Services Subcommittees as a result of testimony in executive session by Mr. McCone.

This is the only report that was issued on the case following an investigation by a Board of Inquiry and by the CIA. Reasons of national security require that no further information should be made public.

Thank you for your inquiry.

Sincerely,

/s/
